

**COURSE ALLOCATION ISSUES — COMPUTER SCIENCE**

Faculty: Faculty Of Science & Technology | Semester: 1 | Issues: 249

Generated: 09 September 2026 10:09

**■ No Lecturer Assigned (7 item(s))**

| # | Code       | Course Name                                       | Program                                                | Lecturer / Note |
|---|------------|---------------------------------------------------|--------------------------------------------------------|-----------------|
| 1 | COSC 0171  | IT Technical Support and Customer Care            | Diploma in Computer Science                            | NO LECTURER     |
| 2 | ACSC 371   | Professional Computing Ethics, Law and Marketing. | Bachelor of Science in Applied Computer Science        | NO LECTURER     |
| 3 | ZOOL 143-S | HIV/AIDS and Society                              | Bachelor of Science in Business Information Technology | NO LECTURER     |
| 4 | BCOM 202   | Business Law 1                                    | Bachelor of Science in Business Information Technology | NO LECTURER     |
| 5 | BCOM 220   | Principles of marketing                           | Bachelor of Science in Business Information Technology | NO LECTURER     |
| 6 | COSC 00105 | IT Technical Support and Customer Care            | Certificate in Computer Science                        | NO LECTURER     |
| 7 | ZOOL 143-E | HIV/AIDS and Society                              | Bachelor of Science in Applied Computer Science        | NO LECTURER     |

**■ Not Yet Submitted / Approved by DVC (125 item(s))**

| #  | Code       | Course Name                                                 | Program                                                | Lecturer / Note              |
|----|------------|-------------------------------------------------------------|--------------------------------------------------------|------------------------------|
| 1  | BBIT 111   | Computer Systems Management and Customization               | Bachelor of Science in Business Information Technology | Mr Saif Kinyori              |
| 2  | BBIT 121   | Principles of Computer Programming                          | Bachelor of Science in Business Information Technology | Mr Charles Kinyua Gitonga    |
| 3  | BBIT 231   | Analysis and Design Techniques for Object Oriented Systems. | Bachelor of Science in Business Information Technology | Dr Fredrick Mugambi Muthengi |
| 4  | BBIT 252   | Database Management Systems                                 | Bachelor of Science in Business Information Technology | Mr Malach Obisa Amonga       |
| 5  | COSC 222   | Operating Systems                                           | Bachelor of Science in Business Information Technology | Dr Bernard Ong'Era Osero     |
| 6  | COSC 00101 | Computer Systems and Organization.                          | Certificate in Computer Science                        | Mr Fidelis Kinanu            |
| 7  | COSC 00103 | Introduction to Programming and Algorithms                  | Certificate in Computer Science                        | Mr Dan Belator               |
| 8  | COSC 00131 | Introduction to Web Design                                  | Certificate in Computer Science                        | Mr Martin Muthomi            |
| 9  | COSC 00171 | Computer Networks and The Internet                          | Certificate in Computer Science                        | Ms Jane Kathambi             |
| 10 | MATH 00101 | Foundation Mathematics                                      | Certificate in Computer Science                        | Ms Serah Kimingi             |
| 11 | PHYS 00111 | Fundamentals of Physics.                                    | Certificate in Computer Science                        | Ms Ann Kendi                 |
| 12 | COSC 0100  | Information Technology and National Development             | Diploma in Computer Science                            | Mr Dan Belator               |
| 13 | COSC 0101  | Introduction to Computer Systems                            | Diploma in Computer Science                            | Ms Caroline Nyaga            |
| 14 | COSC 0110  | Computer Architecture                                       | Diploma in Computer Science                            | Ms Caroline Nyaga            |
| 15 | COSC 0170  | Mathematics for Computing I                                 | Diploma in Computer Science                            | Ms Serah Kimingi             |
| 16 | COSC 0171  | IT Technical Support and Customer Care                      | Diploma in Computer Science                            | NO LECTURER                  |

| #  | Code       | Course Name                                       | Program                                         | Lecturer / Note              |
|----|------------|---------------------------------------------------|-------------------------------------------------|------------------------------|
| 17 | ACSC 221   | Introduction to Java Programming                  | Bachelor of Science in Applied Computer Science | Mr Charles Kinyua Gitonga    |
| 18 | ACSC 240   | Fundamentals of Artificial Intelligence           | Bachelor of Science in Applied Computer Science | Dr Edna Chebet Too           |
| 19 | ACSC 261   | Data Communication                                | Bachelor of Science in Applied Computer Science | Dr Jane Kananu Kiruki        |
| 20 | ACSC 262   | Computer Networking and Application               | Bachelor of Science in Applied Computer Science | Prof David Gitonga Mwathi    |
| 21 | ACSC 271   | Social Implications of Information Technology     | Bachelor of Science in Applied Computer Science | Mr Kelvin Gogo Otieno        |
| 22 | ACSC 327   | Web Programming and administration                | Bachelor of Science in Applied Computer Science | Ms Emily Gakii Murerwa       |
| 23 | ACSC 332   | Desktop Application & Development                 | Bachelor of Science in Applied Computer Science | Mr Charles Kinyua Gitonga    |
| 24 | ACSC 351   | Introduction to Databases                         | Bachelor of Science in Applied Computer Science | Mr Kelvin Gogo Otieno        |
| 25 | ACSC 371   | Professional Computing Ethics, Law and Marketing. | Bachelor of Science in Applied Computer Science | NO LECTURER                  |
| 26 | ACSC 381   | Research Methods in Applied Computer Science      | Bachelor of Science in Applied Computer Science | Dr Edna Chebet Too           |
| 27 | ACSC 434   | Software Engineering 11                           | Bachelor of Science in Applied Computer Science | Dr Fredrick Mugambi Muthengi |
| 28 | ACSC 435   | Human Computer Interface                          | Bachelor of Science in Applied Computer Science | Mr Saif Kinyori              |
| 29 | ACSC 475   | Web media Technologies                            | Bachelor of Science in Applied Computer Science | Mr Charles Kinyua Gitonga    |
| 30 | ACSC 477   | Emerging Technologies in Applied Computer Science | Bachelor of Science in Applied Computer Science | Mr Kenneth Otula Sigar       |
| 31 | ACSC 482   | Seminars in Applied Computer Science              | Bachelor of Science in Applied Computer Science | Dr Jane Kananu Kiruki        |
| 32 | COSC 473   | E-Commerce Technologies                           | Bachelor of Science in Applied Computer Science | Dr Jane Kananu Kiruki        |
| 33 | COSC 101   | Introduction to Computer Systems                  | Bachelor of Science in Computer Science         | Ms Emily Gakii Murerwa       |
| 34 | COSC 110   | Fundamentals of Digital Logic Design              | Bachelor of Science in Computer Science         | Ms Pauline Wanza Mwaka       |
| 35 | COSC 224   | Internet Programming                              | Bachelor of Science in Computer Science         | Ms Emily Gakii Murerwa       |
| 36 | COSC 230   | System Analysis and Design                        | Bachelor of Science in Computer Science         | Mr Sigar Otula               |
| 37 | COSC 231   | Object Oriented Analysis and Design               | Bachelor of Science in Computer Science         | Dr Fredrick Mugambi Muthengi |
| 38 | COSC 250   | Database Systems                                  | Bachelor of Science in Computer Science         | Mr Kelvin Gogo Otieno        |
| 39 | COSC 428   | Operating Systems Design                          | Bachelor of Science in Computer Science         | Dr Bernard Ong'Era Osero     |
| 40 | COSC 434   | Component based architectures                     | Bachelor of Science in Computer Science         | Mr Anthony Mbugua Ngereki    |
| 41 | COSC 435   | User Interface Design                             | Bachelor of Science in Computer Science         | Mr Saif Kinyori              |
| 42 | COSC 451   | Advanced database Systems                         | Bachelor of Science in Computer Science         | Dr Edna Chebet Too           |
| 43 | COSC 464   | Cryptography and Computer security                | Bachelor of Science in Computer Science         | Prof David Gitonga Mwathi    |
| 44 | COMS 101-A | Communication Skills                              | Bachelor of Science in Computer Science         | Dr Liz Riungu                |
| 45 | PHIL 100-F | Introduction to Philosophy                        | Bachelor of Science in Computer Science         | Dr Crispin Ong'Era Isaboke   |

| #  | Code        | Course Name                                                       | Program                                         | Lecturer / Note              |
|----|-------------|-------------------------------------------------------------------|-------------------------------------------------|------------------------------|
| 46 | PHYS 131-B  | Mechanics                                                         | Bachelor of Science in Computer Science         | Mr Samson Njogu Muriuki      |
| 47 | MATH 122-F  | Basic Mathematics                                                 | Bachelor of Science in Computer Science         | Mr Edwin Mwenda              |
